

A Comprehensive Care Offering – Primary Care, Urgent Care, Emergency Care

Our goal through this agreement is to guide patients to the most appropriate, convenient care setting based on their needs. Patients needing primary care, pediatric care, urgent care or occupational health services in Greater New Orleans area will have access to 16 additional Urgent Care and Occupational Health clinics and more than 60 Primary Care, Pediatric Care and other specialty clinics. In addition, Ochsner currently has five Emergency Rooms in the Greater New Orleans Area with two additional scheduled to open soon should a patient need that level of care.

When you have healthcare needs, it is important to choose the right place at the right time.
